

VAT - Notice to all EU buyers - for Export of Goods.

Please note that HMRC are enforcing standard VAT on all purchases made in the UK until adequate proof of goods being exported is provided.

Adequate proof is detailed as:

1. Written order from your customer which shows their name, address and EC VAT number and the address where the goods are to be delivered.
2. Copy sales invoice showing customer's name, EC VAT number, a description of the goods and an invoice number.
3. Date of departure of goods from your premises and from the UK.
4. Name and address of the haulier collecting the goods.
5. Registration number of the vehicle collecting the goods and the name and signature of the driver and, where the goods are to be taken out of the UK by a different haulier or vehicle, the name and address of that haulier, that vehicle registration number and a signature for the goods.
6. Route, for example, Channel Tunnel, port of exit.
7. Copy of travel tickets.
8. Name of ferry or shipping company and date of sailing or airway number and airport.
9. Trailer number (if applicable).
10. Full container number (if applicable).
11. Name and address for consolidation, groupage, or processing (if applicable).

Until the above criteria are met Standard rate VAT must be applied to all purchases. On submission of the above, VAT will be refunded to the purchaser.

CONFIRMATION OF EXPORT - IMPORTANT PLEASE COMPLETE AND RETURN.
