“A larger show of 247 cast cows and bulls were presented to the usual ringside of bidders. In general cows would be a much plainer show than last week resulting in the average easily back on the week. However well fleshed continental cows still met a strong demand. Topping the section at £2350 was a 1032kg Charolais cow from Easter Knox. 17 cast bulls easily maintained last weeks flying trade selling to £2640 for a 1150kg Limousin from Knocknagael and averaging £2001.17 per head or 214p per kg.”
