CONDITIONS OF SALE FOR FODDER

These Special Conditions together with Aberdeen & Northern Marts General Conditions shall apply to all auction sales of Fodder conducted by Aberdeen & Northern Marts (the trading division of ANM Group Ltd). Where the General Conditions are inconsistent with the Special Conditions the Special Conditions shall prevail.

DESCRIPTION: All lots are sold by reference to the description in the catalogue. The catalogue will state the loading arrangements. The additional information and/or auctioneers' comment is indicative only, is not material, is not part of the description and does not constitute any warranty whatsoever.

WARRANTIES: The seller warrants the description in the catalogue in respect of: (Hay etc) type of wrapping, bale size, type of baler, Quality., year of production and nature of storage. (Root Crops) tonnage, variety, whether lifted or not.

LOTS: Where a lot consists of more than one item the buyer Can opt immediately after conclusion of the bidding to have that lot sub-divided.

PAYMENT: Strictly on day of sale.

UPLIFT: The buyer must uplift the goods within Period stated by seller stated in the catalogue. Uplift Cannot take place until payment has been received by the auctioneers and the auctioneers have notified receipt of payment to the seller. The seller undertakes not to release the goods until such notification of payment is made by the auctioneers.

WEIGHING CHARGE: The seller is responsible for payment of weighing charges (where applicable) and will ensure that copy of the weighbridge weight ticket is provided to the auctioneers.

REJECTION: The buyer must notify the auctioneers within 5 days of the day of the sale (i.e. for a Friday sale, by 5pm Wednesday) if the goods do not match the description. The seller shall allow the buyer access to the goods to check that the goods do match the description. If in the reasonable opinion of the auctioneers rejection is valid the price will be refunded to the buyer.

PLEASE NOTE

1% online fee will be added to all purchases.
